

BALKAN SOCIETY OF ARTHROSCOPY  
SPORTS TRAUMATOLOGY AND KNEE SURGERY

Dear Colleagues,

It is our honor and pleasure to invite you to take part and give additional contribution to the

## **10th BALKAN CONGRESS OF ARTHROSCOPY, SPORTS TRAUMATOLOGY AND KNEE SURGERY**

**to be held in Novi Sad, from the 24th to the 25th of April, 2020.**

This jubilee, 10th Congress sponsored by the Balkan association of Arthroscopy, Sports Traumatology and Knee Surgery, will be organized by ASTAS (Association of Sports Traumatology and Arthroscopic surgery of Serbia) in cooperation with the Clinic for Orthopedic Surgery and Traumatology of the Clinical Center of Vojvodina.

The lecture part of the Congress program will be held in the NIS Congress Center and the accommodation for the participants will be provided in the hotels President and Master.

On Thursday, April 23rd 2020 a one-day Pre-course in Arthroscopy, Diagnostic and Therapeutic Modalities of Ankle Injuries, as an integral part of the Congress, will be held for 20 selected participants.

### **Congress packages:**

**1. Package price: registration fee + accommodation in double room (BB) - 290EUR**

(Attendance at all lectures, accommodation for two nights with breakfast, lunch on the 24th and the 25th of April at the NIS Congress Center, formal dinner on Friday, April 24th);

\*Additional payment for single room – 60EUR total for two nights

**2. Registration fee - 200EUR**

(Attendance at all lectures, lunch on the 24th and the 25th of April at the NIS Congress Center, formal dinner on Friday, April 24th);

**3. Pre-course - Ankle joint 23.04.2020.**

**Registration fee – 150EUR**

In order to familiarize the orthopedists, physiatrists, and sports medicine specialists from the region with the always current issues in the field of primarily knee and shoulder injuries, their surgical and rehabilitation treatment, as well as the other most common sports injuries, the Association for Arthroscopic Surgery and Sports Traumatology of Serbia (ASTAS), has invited the prominent international and European speakers in the field of orthopedics, rehabilitation and sports medicine who will share with us their invaluable experience both in plenary lectures, and through planned arthroscopic surgeries with a live stream in the amphitheater.

### **Congress topics:**

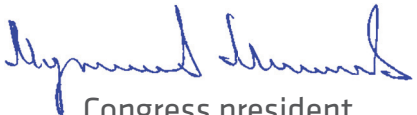

1. Knee Injury
2. Shoulder Injury
3. Ankle Injury
4. Soft Tissue Injuries in Athletes
5. Rehabilitation of Knee, Shoulder and Ankle Injuries
6. Rehabilitation of Soft Tissue Injuries in Athletes
7. Regenerative medicine

Apart from the really impressive professional segment of the Congress, we hope that You will also take part in the less formal social events that have been scheduled for all the days of your stay in our beautiful city. Novi Sad in Vojvodina, as the seat of cultural treasury of many ethnic communities, joins together all the advantages of a city which extends along the largest river in Europe, while at the same time also, spreads over the gentle slopes of Fruska Gora mountain. Already well-known hospitality of the people of this area, combined with a kitchen where you can find food from all over the region and exceptionally rich assortment of top quality products from the local wineries, will hopefully make your stay in Novi Sad so memorable that You will wish to visit us again.

Any further information related to the themes and program of the Congress, the criteria for abstract submission, as well as the technical information regarding the details of accommodation and registration fees can be found on the official website of the Congress: [www.astas.rs](http://www.astas.rs)
